**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am tired of monopolies controlling access to the Internet. I have a house in Arizona and one in California. In California, I have Sonic which provides 1GB speed for \$50 per month. In Arizona, I have Cox, which charges \$119 per month for the same 1GB speed. More than double because there is not the same level of competition in Arizona.

America was built on competition! I support broadband competition!

Thank you.
